

Excel in the Grace of Giving

Order form for Bible Study Books and Trifold Brochures

In order to **excel in the grace of giving**, it is essential to be in God's Word. The Bible study book and the four trifold brochures for the stewardship program *Excel in the Grace of Giving* will direct members to Biblical passages regarding God's love and grace that enable them to give. The material identifies verses from Scripture where God calls upon His people to give and the joy that comes through giving. These resources will help your members see that giving to God is a privilege and a part of their worship of Him. Your members need to know that, as we give God our firstfruits faithfully and cheerfully, we give Him praise and honor. An answer guide for the Bible study is available on the program CD.
